### **Assistance to Providers Not Participating in the Subsidy System Prior to the Pandemic**

- *As required in CRRSA, how does the lead agency plan to use a portion of funds appropriated in CRRSA to provide assistance to CCDF-eligible childcare providers not participating in the subsidy system prior to the COVID-19 public health emergency?*

CCDF lead agencies that have not yet determined or finalized how they plan to spend all or a portion of their CRRSA funds prior to February 25 must indicate that they have not yet decided on how they plan to use their CRRSA allocations, submit any tentative or partial plans, and provide the status and timeline for finalizing those plans. Lead agencies should also note if additional guidance is needed to finalize plans.

The Confederated Salish & Kootenai Tribes 477 Program has not decided how to implement the CRRSA funding and will work with the BIA-Division of Workforce Development, if needed.
